

A better super system for you

Our current super system isn't working well for everyone, particularly young and low income Australians

IT'S BECOME A LOTTERY

lucky for most people but unlucky for many others

TWO MAIN STRUCTURAL FLAWS

unintended multiple accounts

entrenched underperformance

MEANS YOU HAVE LESS TO SPEND IN RETIREMENT

\$61,000

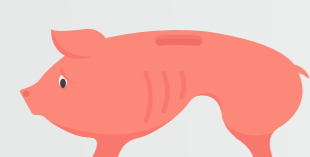

less for a 55 year old today

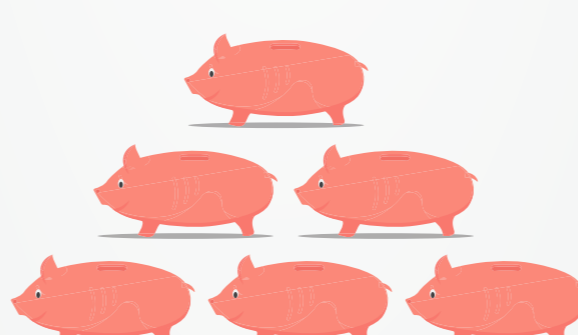

\$407,000

less for a 21 year old today

WE ALSO FOUND OTHER PROBLEMS

Fees erode balances

Over 40,000 products to compare

Zombie insurance you can't claim on
